Once you have determined your specifications, accessories and customization techniques, call [\(614\) 445-8433](tel:6144458433) or [1-877-728-0776](tel:18777280776) (toll free) and a customer service representative will place your order.

complete the case

We're not a fabrication shop...we just act like one when it comes to customizing our standard products. We'll take any one of our cases and customize it to whatever spec you have in mind. Simply put, "Completing the Case" is what we do best. It's the very heart of our business. **Reference the accessories and customization brochures to see the endless possibilities to customize your case.**

products that **perform** from a
company that **delivers**.

What sets Buckeye Shapeform apart from its competitors is the level of technical support, customization and value-added services that we provide in-house. Whether you're up against an impossible deadline, or you're simply stretched for resources, you'll find that Buckeye goes the extra mile in ways that our competitors simply can't...or won't. We welcome the small order, and we take pride in our production excellence and on-time delivery statistics, which are the envy of companies everywhere.
